CLEANLINESS DRIVE

Awareness about Nationwide Campaign for Swacchh Bharat Mission and Ganga Rejuvenation

The Prime Minister has announced a nationwide campaign for Swacchh Bharat Mission which is associated with raising the prestige and image of the country and also the self-respect and dignity of Indians.

Faculty members and students are required to participate in this initiative by taking up several programmes regarding 'Swacchh Bharat Mission and Ganga Rejuvenation'.

SPECIAL ASSEMBLY ON MONDAY TO CELEBRATE SWACHHATA DIWAS wherein speech/presentations to be made by students to instil the habit of cleanliness and to create awareness about ill-effects of fireworks, under the supervision of House Incharges.

POWERPOINT PRESENTATION at least one by each faculty member for all the students in the classes to emphasize the Importance of cleanliness and ill effects of fireworks

AIR-PURIFICATION BY PLANTATION COMPETITION in CCA slot by students under the supervision of House Incharges.

EXTEMPORE on "Cleanliness and ill effects of fireworks" in CCA slot by students under the supervision of House Incharges

BEST OUT OF WASTE COMPETITION in CCA slot by students under the supervision of House Incharges

DRAWING COMPETITION on "Cleanliness and Dream of Swacchh and Clean Bharat and Ganga Rejuvenation" to reiterate the Gandhian thought that 'Cleanliness is next to Godliness', by students under the supervision of House Incharges. Later on these pictures will be pasted on corridor walls of the college campus.

NUKKAD NAATAK on "Cleanliness and ill effects of fireworks" by students during Annual Fest Sabrang

COLLAGE MAKING COMPETITION on "Cleanliness and Dream of Swacchh and Clean Bharat and Ganga Rejuvenation" by students under the supervision of House Incharges

EXTENSION LECTURE by an eminent personality to emphasize the Importance of cleanliness and ill effects of fireworks.

MAKING OF AN ECO-CLUB to ensure and sustain students' participation in the Swacchh Bharat Abhiyan and Ganga Rejuvenation Campaign.

SUBMISSION OF ATLEAST ONE RECYCLED ITEM by each student by reusing the biodegradable and dry waste.

WORKSHOP on the theme "water sanitation and solid waste as career options and skill Development".
