TITLE: World AIDS Day

DATE: 01.12.2022

TIME: 10:15 am onwards

Venue: Assembly Area

The inequalities which perpetuate the AIDS pandemic are not inevitable; we can tackle them. This World AIDS Day, 1 December 2022, the pupil trainees of GNCE urged each of us to address the inequalities which are holding back progress in ending AIDS.

A special assembly was held to uphold this year's theme- "Equalize" as a call to action. It was a prompt for all of us to work for the proven practical actions needed to address inequalities and help end AIDS. The pupil trainees reiterated the significance of increasing availability, quality and suitability of services, for HIV treatment, testing and prevention, so that everyone is well-served, through their speeches. Reforming of laws, policies and practices to tackle the stigma and exclusion faced by people living with HIV was also stressed upon.
