Teachers Day is one such event to which students and teachers equally look forward. The Day is important for the students as it gives them a chance to acknowledge the efforts put in by their teachers to ensure that they get a proper education. Similarly, teachers also look forward to the Teachers' Day celebration as their efforts get recognised and honoured by students and other agencies as well.

Similarly, at Guru Nanak College of Education, it was ensured that it was not a regular day but a special one for both the Teacher Educators as well as for the aspiring ones. A special assembly highlighting the significance of the day was organised followed by a fun-filled cultural programme by the pupil trainees. Their hard work was appreciated by all.
