India achieved its Independence from British colonial rule on August 15, 1947. The struggle for freedom was a long and tiresome one; witnessing the sacrifices of many freedom fighters, who laid down their lives for their country and fellow citizens. This day [honors our freedom fighters, the history of our country](#), its culture, and the nation's achievements as a whole. It also reminds every Indian citizen about the dawn of a new beginning of an era of deliverance from the clutches of British colonialism for more than 200 years.

On the above lines, a special assembly was conducted at Guru Nanak College of Education wherein the pupil trainees extended their whole hearted participation by giving speeches, reciting self-composed poems related to the theme of the day. Some of them even came forward to sing our patriotic songs as well as give mesmerizing dance performances to show love for their Nation.
