“Poetry can be inspiring. Poetry can be healing. Poetry can connect you to emotions so buried inside that only a pencil and paper can release them.”

A poetry writing competition was announced for both the batches of Guru Nanak College of Education on the occasion of the 74th Republic Day on the theme of Naari Shakti, wherein the pupil trainees were required to submit their entries online on MS Teams by 25 .01.2023, 11:59 pm.

The aim of this competition was to make pupil trainees aware of the basic tenets and spirit of women empowerment and its importance for furthering the spirit of Nationalism. The students were encouraged by the faculty to extend maximum participation and submit their original work in the form of scanned PDFs.

It is believed that Poetry writing, in addition to building confidence, can also improve reading skills, vocabulary, and creative thinking—elements essential for literacy. The competition was successfully conducted under the guidance of Faculty- Dr. Charu Sethi and the results of the same will be out soon.
