“Not Me but You” defines the philosophy of NSS. The welfare of every individual is dependent on the welfare of society, hence, every volunteer must strive for the betterment of society.

The NSS Day celebration on 24<sup>th</sup> September 2022, at Guru Nanak College of Education commenced with an Orientation Session wherein Dr. Charu Sethi familiarised the students of Semester 2022-24, Batch 1, with the significance and history of celebrating this day.

National Service Scheme, also known as NSS, is an extension of activities for students pursuing higher education to increase their participation in community service, in addition to their curriculum. Each volunteer must complete 120 hours of social service in one academic year.

September 24 is observed as NSS Day since 1969 and is marked across the nation with great enthusiasm. It is the day when this public service scheme was officially launched in India.
