

# GURU NANAK COLLEGE OF EDUCATION

## B.Ed. Programme CO- CURRICULAR ACTIVITIES

### SEMINAR

Batch: **2021-23**

Semester: **III**

TITLE: **Research Methodology**

RESOURCE PERSON:

DATE: **07.11.2022**

TIME: **10:00 am onwards**

VENUE: **Bala Pritam Auditorium, GNCE**

Methodology in research is defined as the systematic method to resolve a research problem through data gathering using various techniques, providing an interpretation of data gathered and drawing conclusions about the research data. Research methodology gives research legitimacy and provides scientifically sound findings

Guru Nanak College of Education, therefore, hosted a Seminar for its students of Batch 2021-23, Semester-I, to reiterate the above-mentioned.

Towards the completion of the seminar, it was realised by all that It is a proper and systematic research methodology that also provides a detailed plan that helps to keep researchers on track, making the process smooth, effective and manageable. A researcher's methodology allows the reader to understand the approach and methods used to reach conclusions.

It was an enriching session and everybody who attended the seminar came out to be more aware of the theme.
