The blend of Drama, Art, and Education has been there since the time Plato started his Academy. He believed that informing a student just about the concept is not enough, a good teacher has to induce the ability of critical thinking and the **importance of value education** in a student.

Keeping the above-mentioned in mind, Guru Nanak College of Education especially organized a workshop for its students of Batch 2022-24, Semester- 1, in the Assembly area of the college campus on 28.12.2022. This was done in association with the talented Resource Person- Mr. Lucky Kataria.

Mr. Lucky Kataria in his session, elaborated upon how Drama and Theatre both are pivotal outlets for self-expression and by using drama as a teaching tool, students are involved in every way, be it intellectually, physically, socially or emotionally. It was further pointed out that the use of drama and art in education leads to holistic learning, accelerates personality development and imparts students with crucial life skills, problem-solving skills, leadership, cooperation and collaboration.
